# GLOBAL REACH WITH LOCAL EXPERTISE : LOGISTICS TO KEEP YOUR BUSINESS MOVING

*Nissin (U.K.) LTD. provides extensive expertise offering integrated logistics services. As a specialist in our field, we handle land, air and sea freight as well as all related logistics services. We are able to connect key locations around the world via our global network.*

*Our network of logistics centres and warehouses enables the flow of goods between all carriers and enables us to offer a wide range of value-added services. We work jointly with you by offering a high quality and cost effective service based on our expertise and resources.*

*Nissin (U.K.) LTD. is a wholly owned subsidiary of Nissin Corporation, one of Japan's leading international transport and logistics companies. Our company philosophy is based on the meaning of "Nissin" which can be translated as "change and rebirth with the passing of each day". We pride ourselves in adapting to changing times, as is demanded by evolving economic conditions.*

## NISSIN GROUP AT A GLANCE

FOUNDED **1938**

*Nissin started its business on 14th December 1938 in Japan and has grown into a strong establishment serving logistical, warehousing and distribution requirements across several sectors in a fast changing global economy.*

£ **1.5** bn  
TURNOVER

*Our global business activity led to a turnover of £1.5 billion (¥216 billion) in net sales for year ending 31st March 2019. Changing patterns in manufacturing and global sourcing has led to more complex supply chain requirements. Our adaptability to changing times has been key to our success.*

**6000**<sup>+</sup>  
EMPLOYEES

*Our team of 6000+ consolidated staff across our global network are trained to ensure that every assignment is successfully completed.*

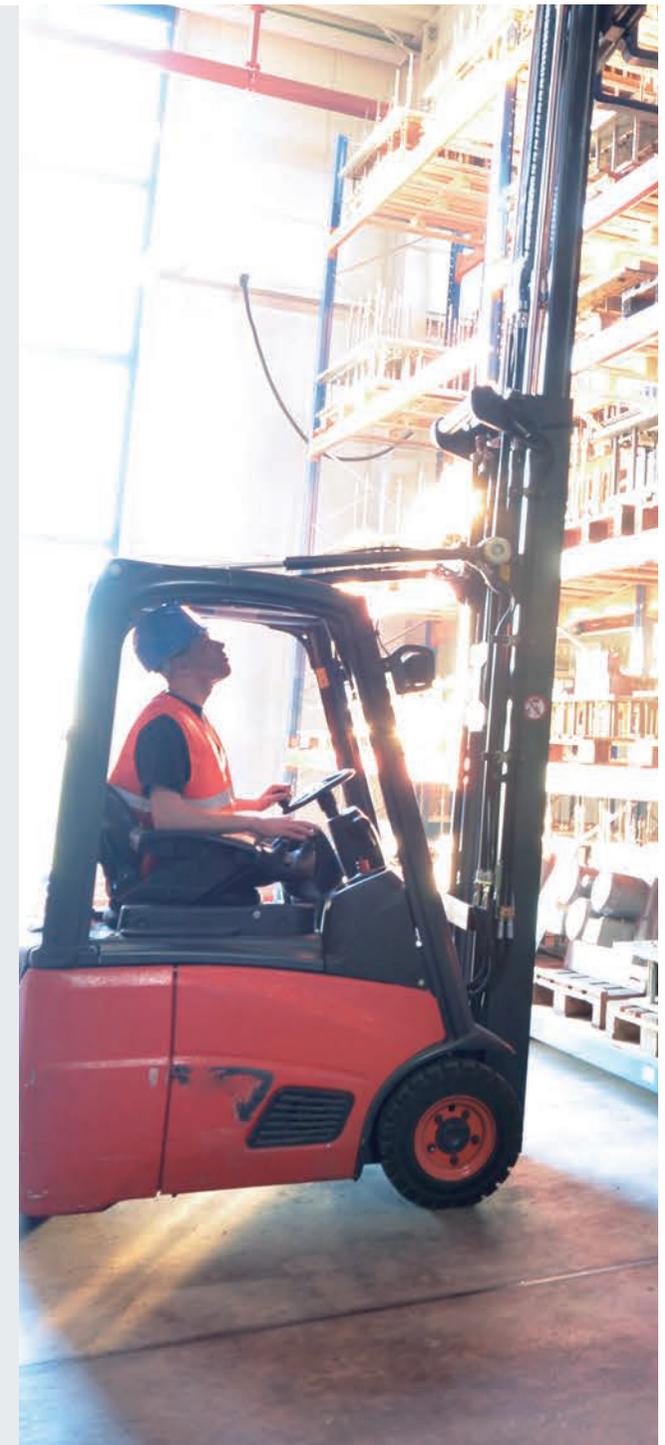

**24** COUNTRIES

*With more than 200 locations in 24 countries, Nissin Group has been providing its customers with an array of integrated transportation and logistics solutions around the world.*

**12.7** MILLION  
SQ FT. 

*Our global operation is warehoused in a total area of over 12.7million sq ft (1.18 million sqm) in key locations.*

## SUPPORTING YOUR SUPPLY CHAIN

## INTEGRATED LOGISTICAL SUPPORT

*Complex and competitive markets have led our logistic experts to develop, implement and manage solutions that will streamline your supply chain. Our clients benefit from well rounded, efficient logistics which combine warehouse and transport management with real-time data sharing.*

# OUR GLOBAL NETWORK OPERATING IN 24 COUNTRIES

- HEAD OFFICE
- BRANCH OFFICE
- REPRESENTATIVE OFFICE

*Responding to the growing demand for logistic innovation, Nissin was a pioneer in the integration of land, air and sea transportation to establish a global inter-modal network. Our door-to-door service provides a perfect solution for optimal performance.*

# FREIGHT FORWARDING

*Our extensive transportation links to first-class carriers gives you global reach.*

*As one of the UK's market-leading freight forwarders, Nissin ensures that your cargo is transported to wherever in the world you need it delivered.*

*We leverage our global network to cover all elements of the cargo handling process including collections, ERTS warehousing, complete documentation and Customs clearance. We also have the expertise to handle dangerous, hazardous and oversize transportation projects.*
